

We are looking for trainees with passion and zeal – and open up new vistas for you.

## Internship @ Inspiricon

You want to complete a 3- to 6-months internship? Then your search is completed! You are excited about subjects concerning cloud, platform development, HTML5, apps and SAP. You have basic knowledge on programming and experience in software development.

We expect you to work with commitment, creativity, reliability as well as curiosity to learn more on trends and technologies. You also need to have good German and English language skills.

### We offer you:

- the chance for a permanent position and an exciting profession after your internship
- you will work independently: From the beginning, you will be responsible for your own projects
- a nice „coach“, who will be your mentor and answer all your questions during your internship
- attractive compensation.

### This is what you get:

We are a young and innovative team that lets the future happen today. Always on the technical cutting edge – if that is what drives you, you are in the right place with us. We do not only work by high professional standards and a lot of expertise but also with high commitment and much zeal.

Inspiricon is a German-based Software and Consulting start-up. We are currently looking to expand our team. We know that our employees are the backbone of our success. That is why we focus on a value-based and client-orientated corporate culture that is built on confidence.

Interested? We are looking forward to meet you! Please send us your application via E-Mail to [cluj@inspiricon.de](mailto:cluj@inspiricon.de).
